New Beginnings

JANUARY

Elegantly textured, organic linen is the natural background for a canape of smoked fish and potato rosti with beetroot and capers. Winter gets a chic makeover.

FEBRUARY

Queen scallops - sustainably sourced and served,
fresh from February's icy waters, with a delicate
avocado puree and a hint of lime.

Spring

MARCH

A springtime Chef's Table from By Word of Mouth – a multitude of greens, antiqued silver and the glow of exotic lanterns have a magical effect.

APRIL

A brilliant mix of contemporary lines, clear perspex and splashes of intense colour achieves spectacular impact, whilst mirroring the modernist setting.

MAY

A classically elegant early summer dinner held in the Orangery at Kensington Palace. We show how a simple, seasonal colour palette can create seemingly effortless splendour.

Summer

JUNE

Sublime taster puddings presented in miniature,
handmade glasses:

Dulce de leche with caramelised banana; Valrhona
chocolate cream with raspberries and pistachio wafers;
vanilla panna cotta with poached strawberries and
glass sugar.

JULY

By Word of Mouth adds its stylish touch to a perfect summer lunch party in the Berkshire countryside.

AUGUST

Goat's cheese panna cotta with heritage tomatoes, basil paper bread and cress. The colours and flavours of summer are beautifully and artfully presented in this seasonal dish.

Autumn

SEPTEMBER

Lush roses combine beautifully with touches of gold and mirror to create a sophisticated yet feminine setting for a celebration dinner at St Paul's Cathedral.

OCTOBER

Polished walnut chairs and the warm glow of lamplight exude autumnal chic as they set the tone for an elegant corporate dinner at the National Portrait Gallery.

NOVEMBER

When it comes to large scale events, such as this dinner at the Science Museum, By Word of Mouth uses its flair for design and experience of complex logistics to ensure a seamless, stunning occasion.

Winter

DECEMBER

By Word of Mouth's irresistible pudding bar provides a spectacular finale to festivities in the majestic surroundings of the Natural History Museum.
